

MESSAGE FROM THE PRINCIPAL

Welcome back and *God's Blessings* to all our *Christian Day School Families* as we begin once again to educate the children that the Lord has entrusted to our care.

This year will mark the 125th Anniversary of Spiritual and Academic instruction at St. John's. The theme for the year comes from Proverbs 22:6: "Train up a child in the way he should go, and when he is old he will not depart from it." This celebration will begin in January 2018.

We thank St. John's Congregation for their continual support of sharing the message of the *Gospel* with so many adults and children.

May the *Triune God* continue to shower love and guidance upon our dedicated staff, parents, and children.
