Tuition News ~ March tuition is now past due and April is due! The end of the school year is approaching ~ make sure your child willwill be past due shortly. April's mailing was in the mail last week. The BEST policy is to try to stay current. **Reminder that the tuition agreement all families signed at registration states that tuition is due by the end of each month. Failure to do so may result in late fees and other actions.** Keeping current is the best policy.
