~ A New Message From the Office of the Principal Allison Clous ~

Glad we all survived the 'polar vortex'. Hopefully we are done with the crazy weather we have had so far this year. However, it is like people say 'It's Chicago, what do you expect?'

Thank you for your understanding and patience with the school closings. The safety of the children and parents driving and being out in the weather is always on my mind when we have weather advisories/warnings/watches. I am constantly on my phone checking things the night before bad weather is predicted and in the morning thinking of where people live what the conditions are for you to be travelling.

As crazy as it sounds we are almost halfway through the 3rd quarter as next Wednesday midterm reports will be going home with the upper grades. Keep encouraging your child(ren) to work hard. I always believe 3rd (and 4th) quarters of the school year are the most challenging.

The Lord himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged. *Deuteronomy 31:8*
